

Easy Glass[®] System.

**Where transparency
meets design and safety.**

Q-railing

Your choice in railing systems

Anything is possible.

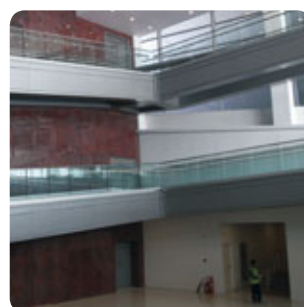

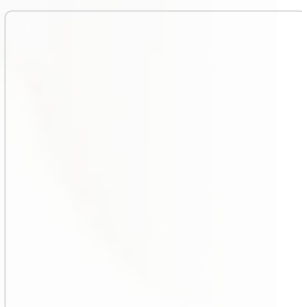

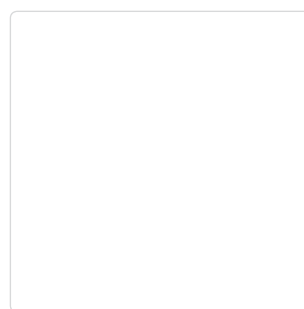

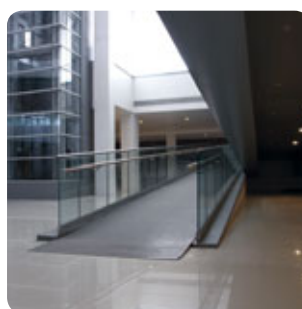

Our vision

To us, quality is our highest priority and this also applies to our service. This means much more to us than simply supplying the right products in the right time.

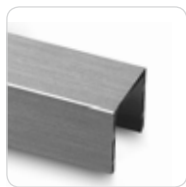

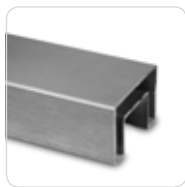

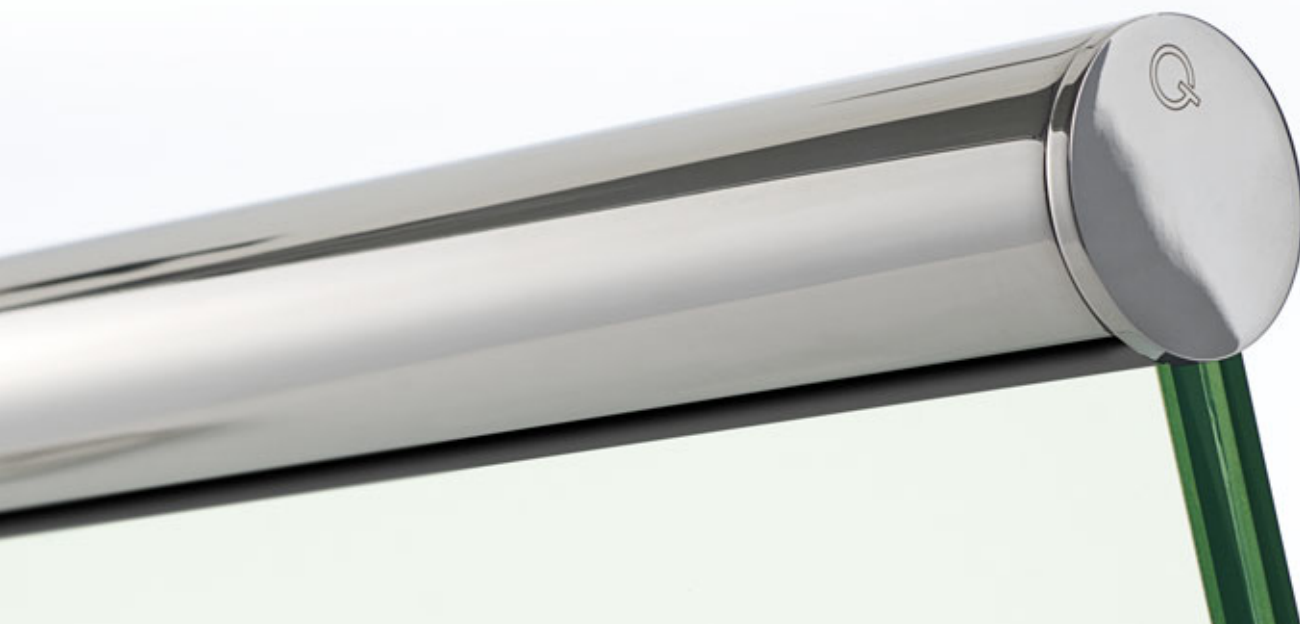

Our promise

Whether you are designing a public space or a private residence, the architectural details always have a significant impact on the end result. To bring your vision to life, count on the design team at Q-railing.
